When the dragon move in

Jodi Moore
Howard MC
William
(2011)

On a beautiful day at the beach, a young boy brings his bucket, shovel, and imagination, and builds a perfect sand castle. Right away, a dragon moves in. The boy decides to befriend his dragon and they spend time roaming the shore, flying a kite, braving the waves, defying bullies, and roasting marshmallows—all while Dad is busy sunbathing and Mom is engrossed in her book. Unfortunately, no one believes the boy when he tries to share the news of this magnificent creature. That's when the mischief (Age 3-6 years old)

The Egg

MP Robertson
(2014)

In the tantalizing opening pages of this fantasy, a boy peers into a henhouse and sees a hen perched upon an enormous golden-brown egg: "George knew something wasn't right when he found more than he bargained for under his mother's favorite chicken." The only clue to the egg's source is a mysterious hole in the henhouse roof. George uses a wheelbarrow to maneuver the armchair-sized egg into his house, and in a tense four-part spread, he watches as something ("It definitely wasn't a chicken!") starts to hatch. After an all-too-brief period of suspense, a muscular, bat-winged baby dragon emerges, and George patiently trains it to fly and to aim its fiery breath. (4-8 years old)

The great dragon rescue

MP Robertson
(2009)

George is bored. When it comes to fighting, chickens aren't nearly as much fun as dragons. But when George's dragon returns, he whisks him off to a fairytale land on a rescue mission. A wicked witch has captured a baby dragon and George realizes that he must outwit the witch in order to free the dragon and prevent himself from being turned into a toad for the witch's barbecue. (4-8 years old)

The Foggy,
Foggy forest

Nick Sharratt
(2010)

What can this be in the foggy, foggy forest?" That's the question on every spread of this clever book, each depicting the black-and-white silhouette of a fairy-tale figure or scene. Readers may take a guess and turn the page to see if they're right — the answering image appears in full color (often sporting a funny twist). A unicorn playing a horn? An ogre doing yoga? They're just two of the characters lurking in The Foggy, Foggy Forest, a clear winner for curious kids. (2-7 years old)

Dragon Egg

Malloy Loehr,
Hala Wittwer
(2007)

Dragon's soup

My Father's Dagon

Michael Yu
(2012)

This is another way to tell the fable of stone soup. And what gorgeous illustrations to add to the tale! The dragon was tired of being mean and struck out to find a new life for himself. He eventually arrived in a forest, very hungry and alone. His idea for making a meal for himself involved the local forest animals who, although tricked into contributing the whole meal, learned a lesson of community. (4-8 years old)

Ruth Stiles
Gannett
(1997)

The story begins when Elmer Elevator (the narrator's father as a boy) runs away with an old alley cat to rescue a flying baby dragon being exploited on a faraway island. With the help of two dozen pink lollipops, rubber bands, chewing gum, and a fine-toothed comb, Elmer disarms the fiercest of beasts on Wild Island. The quirky, comical adventure ends with a heroic denouement: the freeing of the dragon (4-8 years old)
